Familiar Face Returns to Somerset Inn for Fashionable Fundraiser

Troy, MI – November 28, 2006 – Santa returns to a freshly renovated Somerset Inn for the 14th annual Santa Society Toys for Tots fundraiser. Described as chic, modish, and elegant, the new boutique feel of the Somerset Inn facility provides the perfect backdrop for this year's fun-filled and stylish event.

The November 10th event marked the 8th year for Somerset Inn as the host for this prestigious event where as many as 900 guests arrive each bearing a single gift for admission. "It's good to know that we are helping to make Christmas a little more special for some special kids" says Tim W. Turner, President of the Santa Society.

All toys and donations collected at the event will go toward Southeast Michigan US Marine Toys for Tots program.

Somerset Inn was founded in 1973. It opened for the first time under the supervision of the Frankel family as a posh accommodation to shoppers visiting Saks 5th and Bonwit Teller at what was then called Somerset Mall.

A past recipient of the Best of Troy award, Somerset Inn is known for its professional attitude, dedication to continuous improvement and standard-setting management. For more information about Somerset Inn and its services, please contact Pam Holland at sales@somersetinn.com or visit www.somersetinn.com.
